VIANOVA

An aerial photograph of a modern outdoor swimming pool. The pool is rectangular and filled with clear blue water, featuring a mosaic tile pattern on the bottom. It is surrounded by a light-colored wooden deck. To the right of the pool, there is a lounge area with a white sectional sofa and three round side tables. The pool is bordered by a lush green garden with various plants and trees. The overall scene is bright and sunny, with shadows cast on the deck and garden.

"La piedra Bali es una obra maestra de la naturaleza, que nos recuerda la belleza y la perfección que pueden ser alcanzadas a través de la paciencia y la perseverancia."

Es la piedra más armoniosa que convierte
lugares comunes en zonas extraordinarias.

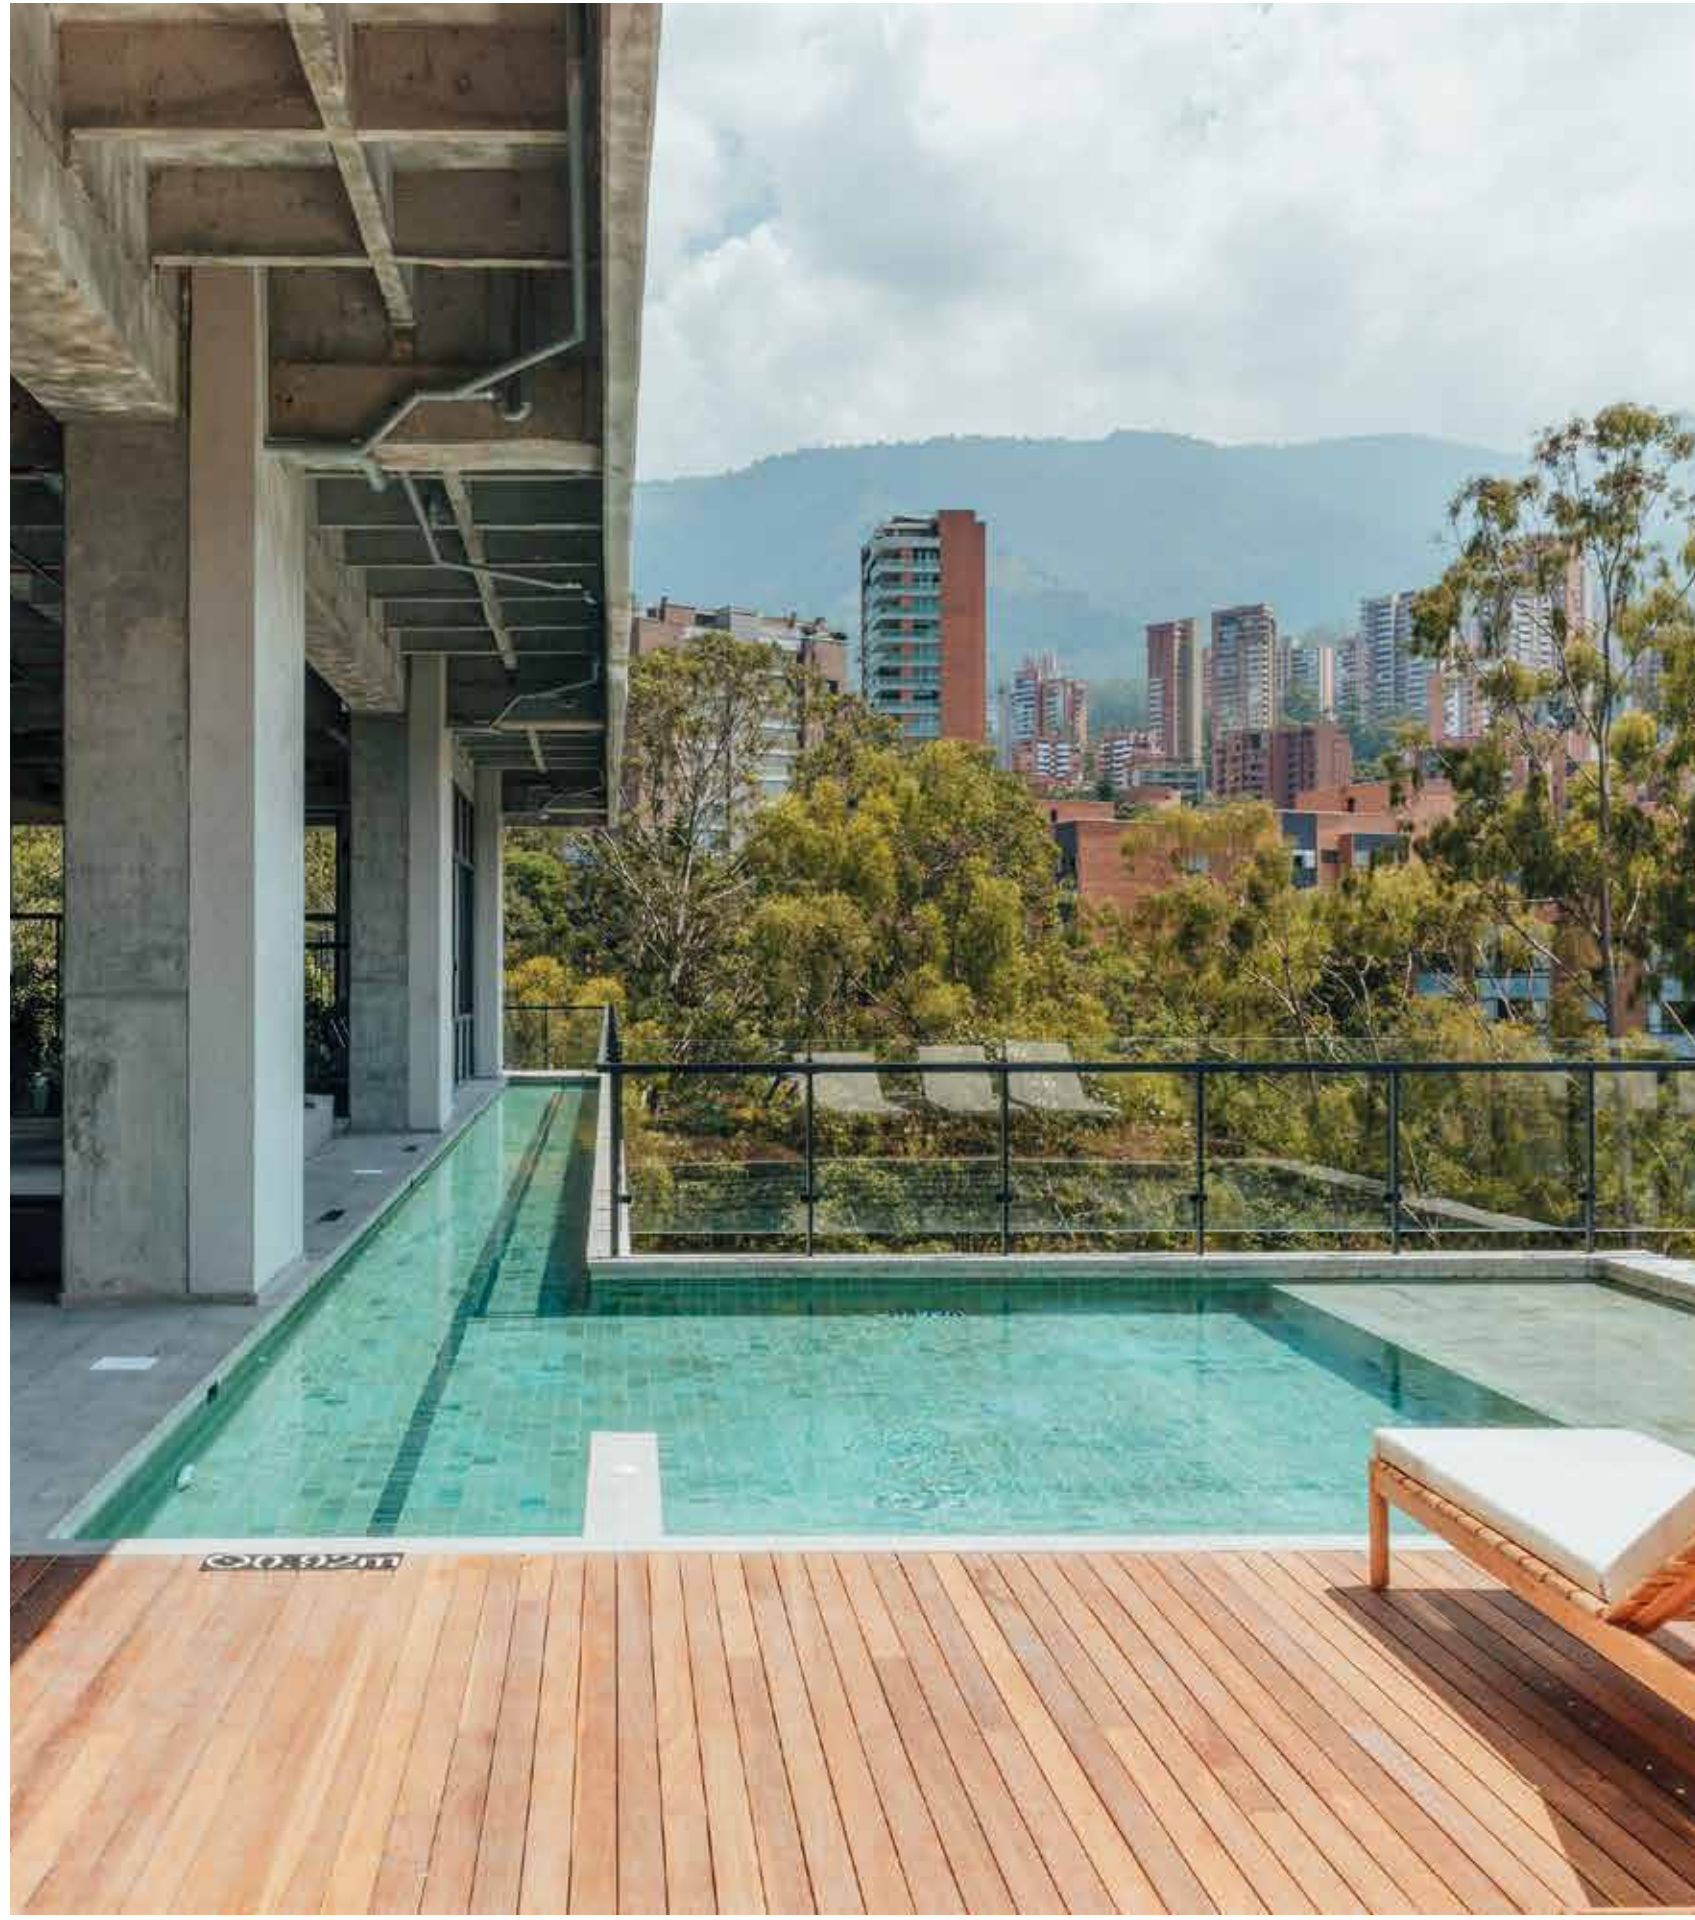

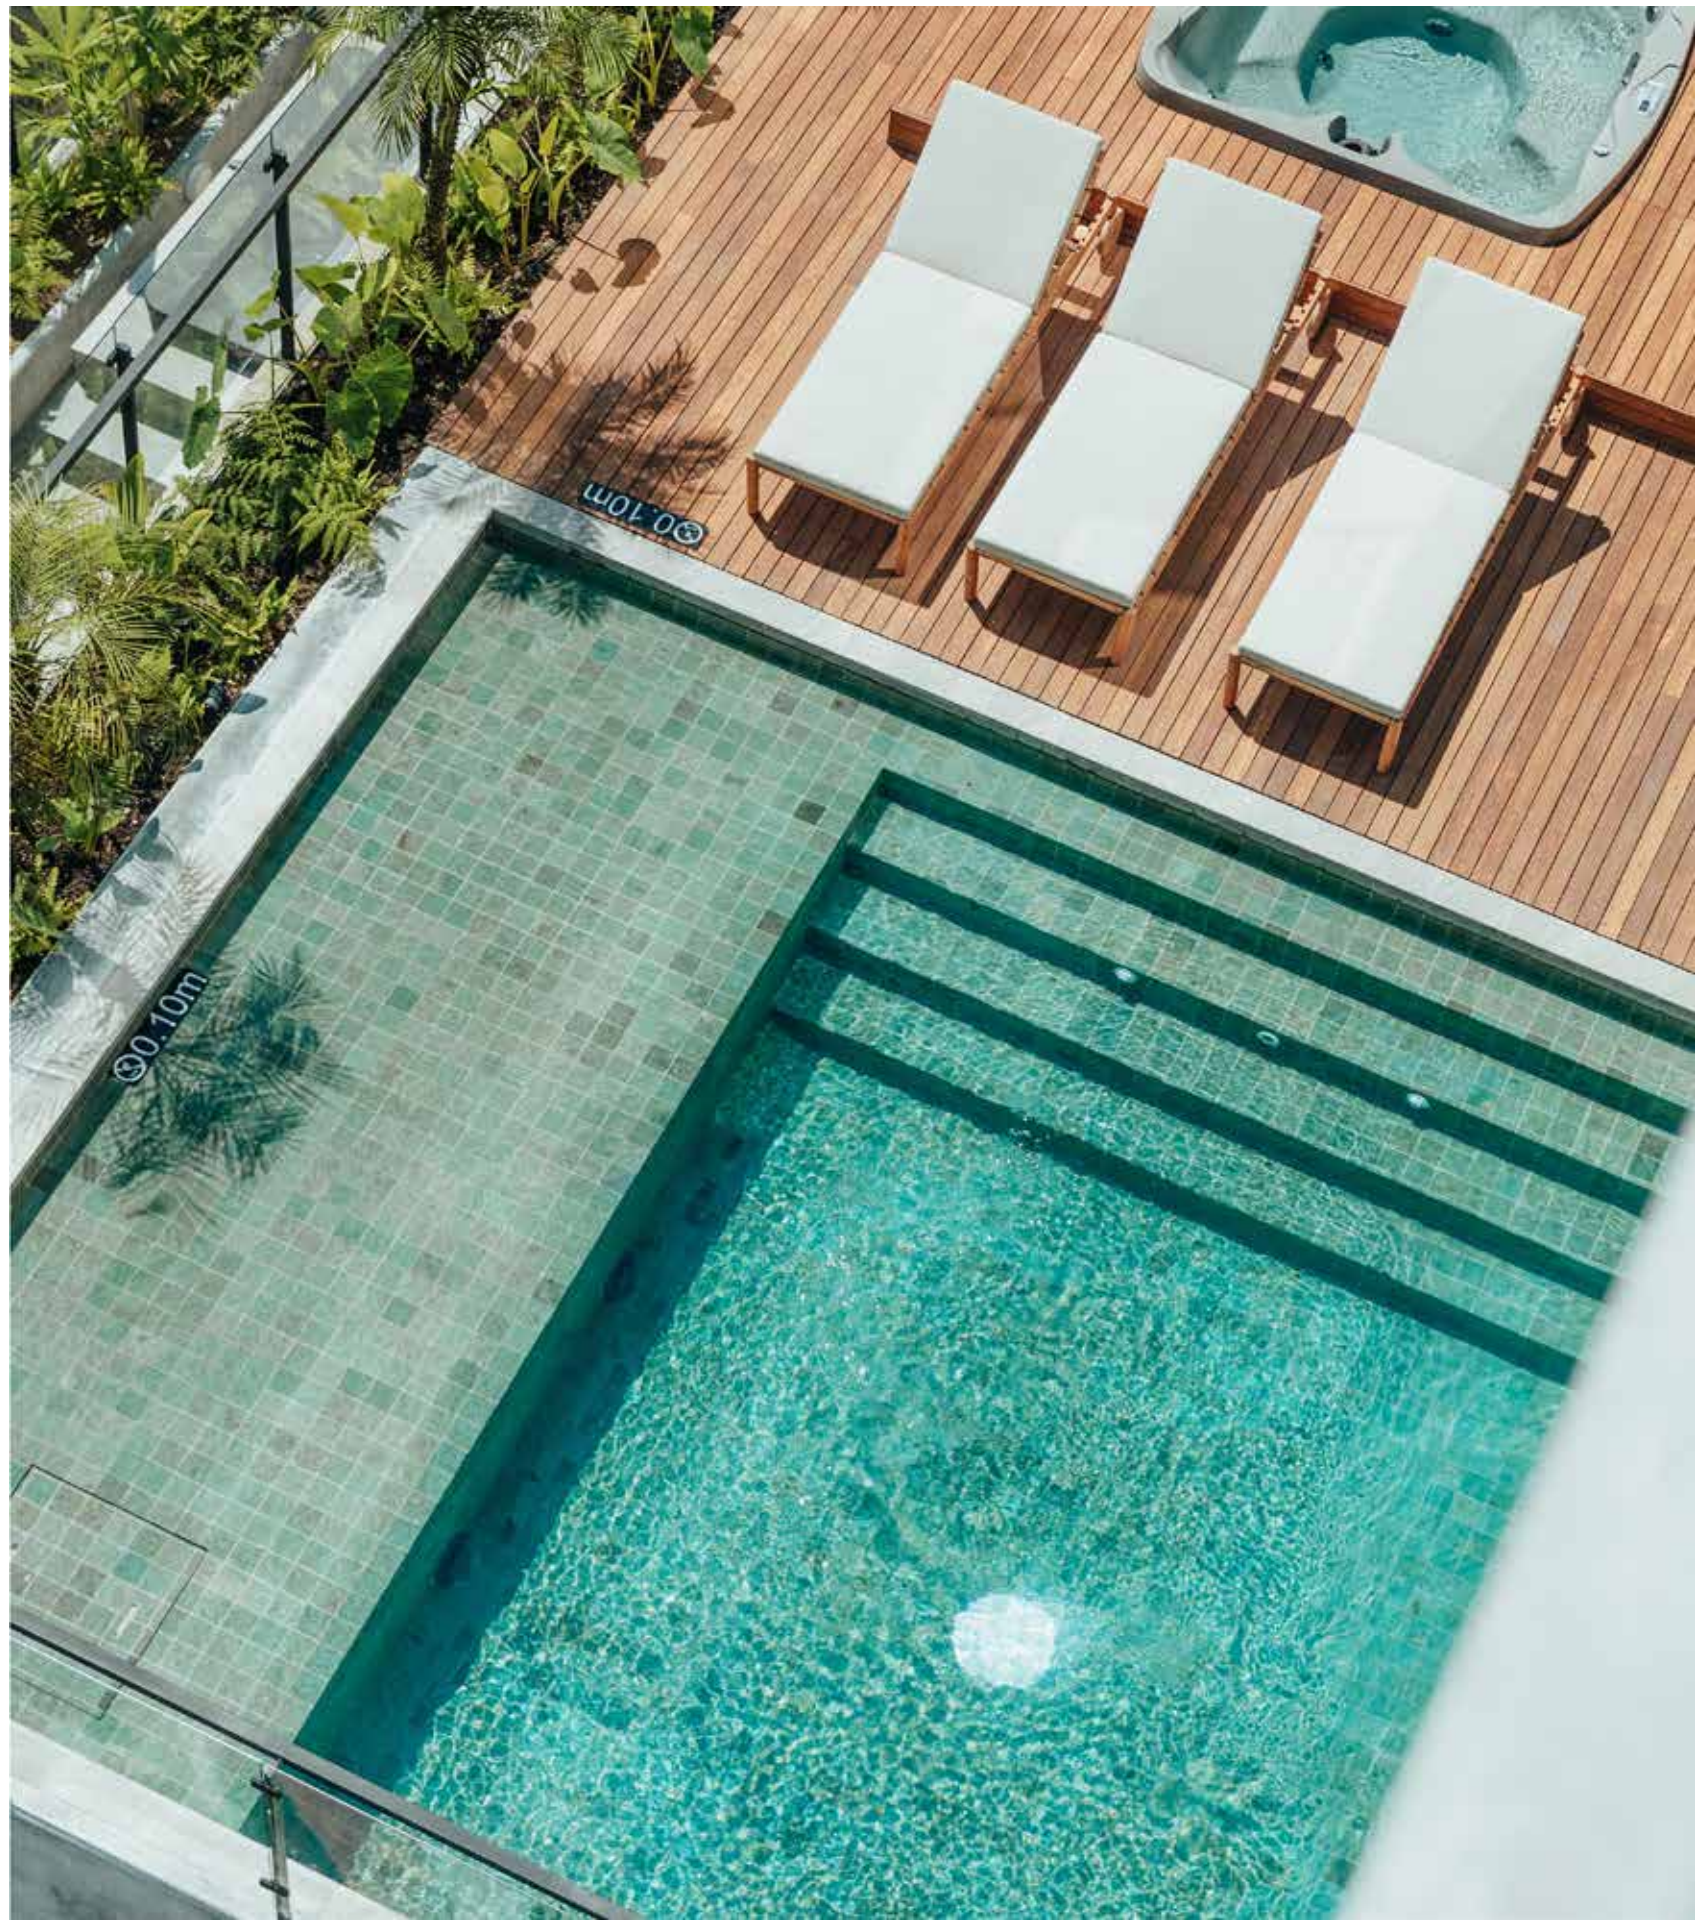

Su aspecto natural logra darle vida a los espacios
convirtiendo las piscinas en verdes reservas de agua.

A high-angle photograph of a modern outdoor swimming pool. The pool is surrounded by a dark, textured stone tile deck that reflects the surrounding environment. A wooden deck is visible on the right side of the pool. Lush green ferns and other plants are in the foreground and along the left side of the pool. Two white ceramic pots are on the wooden deck near the pool. The text is centered over the pool area.

La piedra lava stone es como la fuerza de la naturaleza hecha roca,
resistente y duradera, pero con una belleza y elegancia única.

La última tendencia para el revestimiento de la piscina, la piedra volcánica negra.

Además de conservar el aspecto contemporáneo de la vivienda, esta piedra de origen volcánico tiene propiedades depurativas y permite una gran resistencia al crecimiento de bacterias en superficie.
